Thanks to Anderson's Bookshop! We work with Downers Grove local book store, Anderson's Bookshop to provide books for the fair. Anderson's gives back a large portion of the sales from the fair, and we use 100% of that money to buy new books and materials for Lester's Library Resource Center. **Coupons to Anderson's** will be available at the sale and on the PTA website, valid for two weeks following the fair. A percentage of your purchase with the coupon will be credited to our sale total!

Year Long Book Fair Online! Shop for books online at Anderson's bookfair site. A percentage of EVERY sale is credited back to our school! Go to www.abcfairs.com and go to 'find my school' – choose Lester, and then click on the 'start shopping' link! You can have orders shipped directly to you for a low cost, or local customers can choose 'In-Store Pickup' for pickup at the Downers Grove or Naperville store with no added shipping fees.
